CHIMNEY CAPS

Chimney King Chimney Crowns safely and elegantly beautify a home's roofline, improving curb appeal. Architecturally dynamic, we can custom design the perfect cap for you. Functional too: Crowns can prevent downdrafts and improve drafting – Screening keeps ashes in, varmints out – Snow / Rain Roofs protect from the elements.

CODES & LISTINGS

Chimney King's 'Chimney Shrouds' are listed & labeled by UL, Intertek and or OMNI test labs for use with specific factory built fireplace and chimney systems, and meet the Int. Building Code's and NFPA 211's requirements for use.

FINISHES

Mill & Paint Grip (plain), 90 'Kynar' Colors, Stucco / Rock Ready, Stucco Paint, Stainless Steel, Copper, Aged (green) Copper, **PERFECT[®]** (non-tarnishing) Copper, Dimpled Copper & Lead Cote Copper.
